FOREWORD

Music _ _ _ 110-111

We, the yearbook staff, have earnestly tried to make this the best Kaldron ever published — whether or not we have succeeded depends largely upon you. We have attempted to produce a book of which we can always say that we are proud, and one which we will be glad to have people say belongs to our Senior Class.

The Board's Voice Is The People's Choice

Through their sincere efforts, the Board of Education has won the admiration and respect of the McDowell student body. The Board, consisting of seven members, outlines the policy for operating the school district. The new addition to McDowell can be considered one of their many accomplishments.

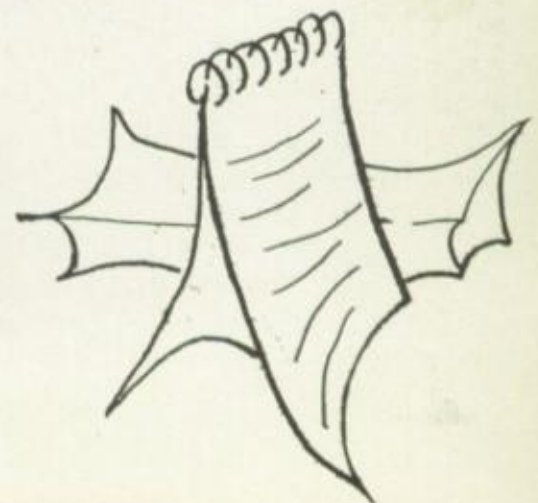

Seated: Mr. William C. Morton—Vice Pres.; Mr. George Gott—Pres.; Mr. William Simonsen—Sec'y to the Board. Standing: Mr. George Schau; Mr. Thomas M. Wells; Mr. Emil V. Pearson—Treas.; Mr. Frank Schrimper; Mr. William M. Conner.

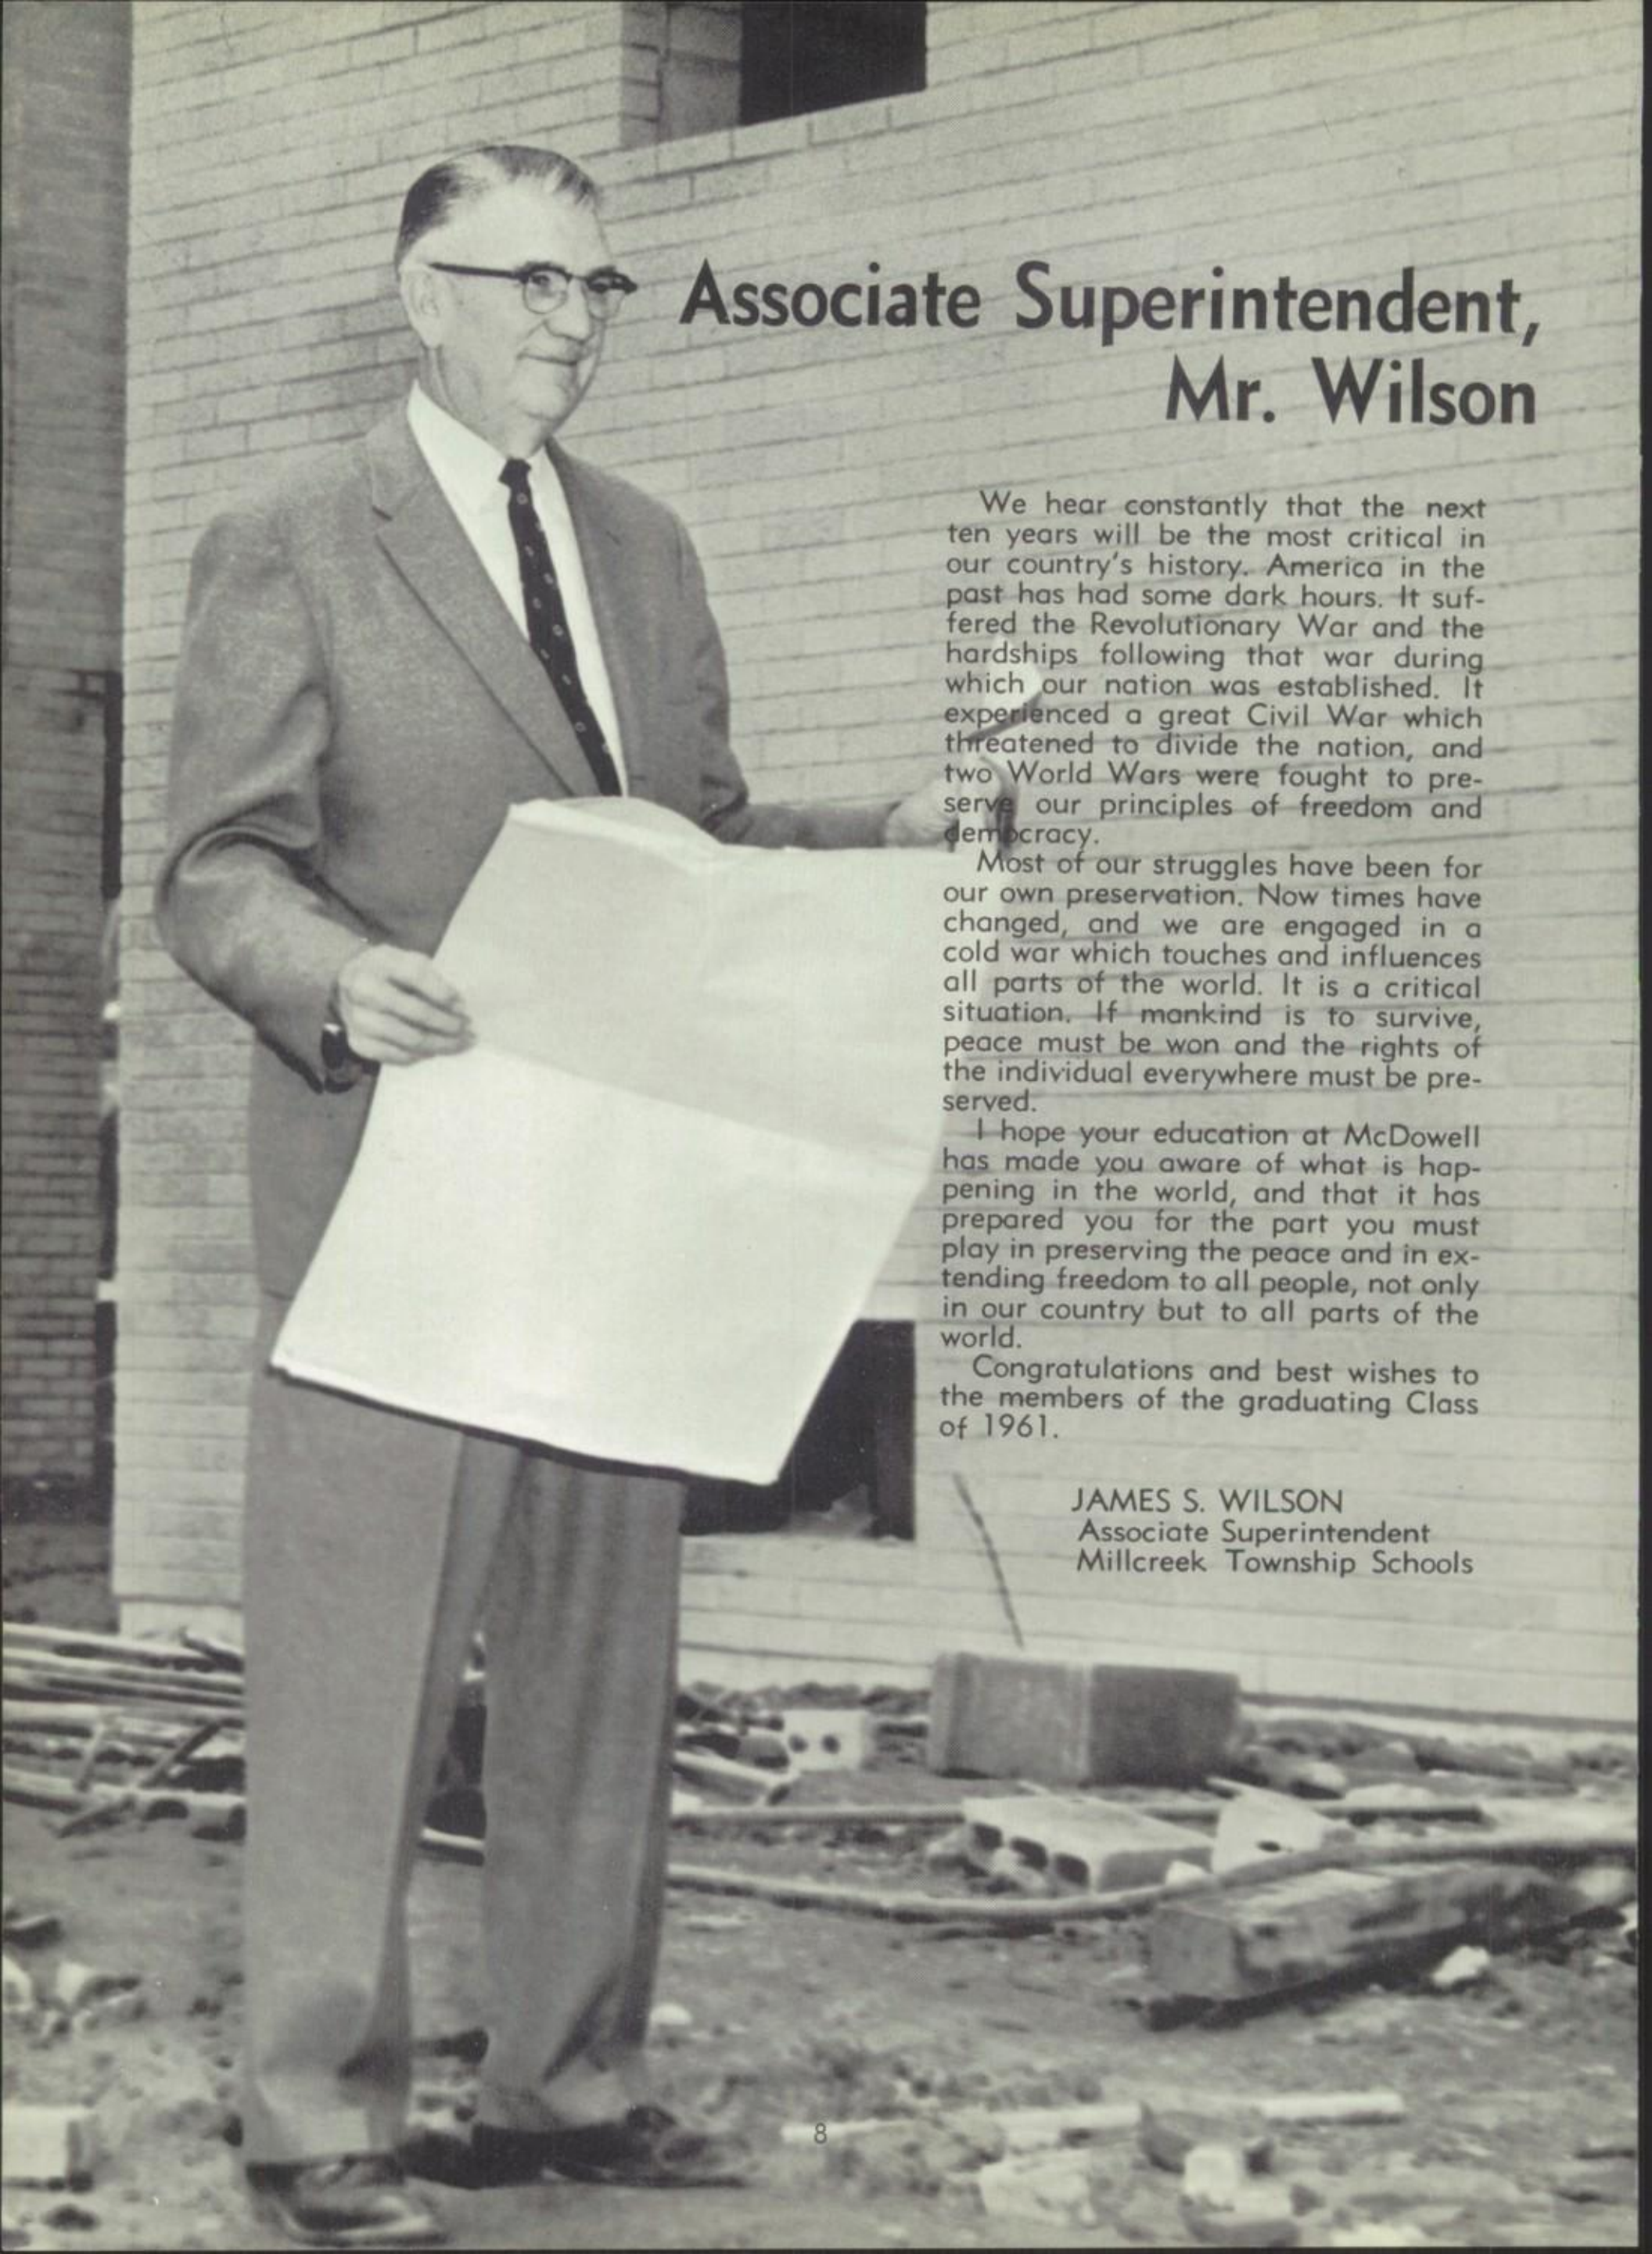

WE HONOR ♦ ♦ ♦

Mrs. Ruth Caughey Blair

The Senior Class dedicates this 1961 Kaldron to you for the immeasurable kindness and helpfulness you have shown to us. Your devoted efforts and untiring service to the students and faculty of McDowell denote most clearly an outstanding personality of unselfishness, thoughtfulness, and understanding. You have served our school not only as a leader, but to many of us you have been a very close friend. In the years to come, when our minds reflect the moments of our high school days — you will be one of those very treasured memories.

Associate Superintendent, Mr. Wilson

We hear constantly that the next ten years will be the most critical in our country's history. America in the past has had some dark hours. It suffered the Revolutionary War and the hardships following that war during which our nation was established. It experienced a great Civil War which threatened to divide the nation, and two World Wars were fought to preserve our principles of freedom and democracy.

Most of our struggles have been for our own preservation. Now times have changed, and we are engaged in a cold war which touches and influences all parts of the world. It is a critical situation. If mankind is to survive, peace must be won and the rights of the individual everywhere must be preserved.

I hope your education at McDowell has made you aware of what is happening in the world, and that it has prepared you for the part you must play in preserving the peace and in extending freedom to all people, not only in our country but to all parts of the world.

Congratulations and best wishes to the members of the graduating Class of 1961.

JAMES S. WILSON
Associate Superintendent
Millcreek Township Schools

Principal of McDowell, Mr. LeMasters

Today Americans have a higher standard of living than ever before, and our nation comes closer than any other to the ideal of providing a useful place for everyone. There is such a variety of work to be done that every person can find an opportunity for the expression of his special talents. Each of you has the ability to do some kind of work well, and it is your responsibility to find the place where you can do your best and contribute the most. Your ability to do any job well is of primary importance, for it requires mastering certain basic skills in order to do your work efficiently. Your desire to do the job even better is something extra. This is the basis for the real progress we have enjoyed, and will create better things in the future.

I wish each of you the greatest success.

The President Speaks . . .

Doesn't the time go fast? It was just six short years ago when you entered junior high school. You probably can't remember what that first day was like. In the same manner, you probably won't remember what your first day as a senior at McDowell was like.

Remember the seventh grade subjects? In the schedule we had Geography, World History, and so on. In eighth grade we took Math, American History, and a maze of other subjects. In ninth grade the subject matter became more specialized. The curriculum included Algebra, Latin, Science, and Civics. As we went through the tenth, eleventh, and now twelfth grades, the subjects and responsibilities became more specific and more difficult. But we worked hard to get through junior and senior high school, and well we should have, for when we are graduated this spring, what we have done in the last six years will probably determine what we do the rest of our lives.

Look into the future and try to imagine what you will be doing six years from now, then six years after that, and after that, until the years cease to exist for us. How many times will you pick up your Kaldron and think back to the good times you had here at McDowell?

Probably next year you will wish you were back in school, walking the halls in the morning, sitting at the table eating lunch with your friends. Remember these years, and remember them well, for when this year is gone, you won't be returning to your classes at McDowell any more. Remember?

When you are at the Prom to Dawn, you will probably think that you've made it—you're out—finished with high school. Yes, you are finished with high school, but you've got an important decision to make. What to do next? You could get a job, join the service, go to college, or do one of a number of other things. The decision is yours and it must be made.

Most of us are looking forward to commencement this spring: yet, do you realize that when you are graduated you have left behind some of the best years of your life?

In Memoriam

Gary Zimmer

This page is dedicated to one of our fellow students, Gary Zimmer, whose death has grieved his friends and acquaintances here at McDowell, as well as elsewhere. "Tubby," as he was called by many of his friends, will always be remembered in the hearts of those who knew him because of his sincere and cheerful aspect toward life. His friendly smile is certainly missed, and although God has called him to His side, he will always live on in the hearts of those who knew him.

ORGANIZATIONS

"A sense of duty pursues us ever" — D. Webster

The 1961 Kaldron Staff ...

Early in September, when everyone was enjoying the beautiful fall weather, the Editors were busy setting up schedules and planning the work which would follow that year. During the latter part of the month the patron drives were conducted and in October we held the subscription drive.

During the months which followed, the staff members spent long hours at night and on Saturdays writing, pasting, typing, and performing the various tasks which confront a yearbook staff.

Finally the copy was prepared and sent to the publisher, and for the first time in several months we could relax and remove the thought of pressing deadlines from our minds. Now at the close of our senior year, our thoughts reflect our experiences and we cannot help but think of the lessons we have learned — lessons of leadership, cooperation, willingness to work, and to organize. The acquisition of knowledge will be invaluable to us as we leave our high school and go on to a higher level of education.

Student Council

McDowell High School has every reason to be proud of its Student Council. It was created purposely to develop leadership, and to teach citizenship, responsibility, and respect of others. The student body, the faculty, the administration, and the community all rely on it for assistance and to act as a means of communication among the groups.

Each year McDowell sponsors a foreign exchange student. Along with his project and the numerous other services throughout the year, the Student Council also sponsors a Variety Show entitled, SPOTLIGHT ON McDOWELL, the annual alumni Thanksgiving Dance, and the publication and sale of the student handbooks. The McDowell Student Council was elected this year to the Vice-Presidency of the Northwestern Pennsylvania District Student Council and sends delegates to the workshop, district convention, and state convention.

Mr. James Barr is the sponsor of this organization and is a constant source of encouragement. The officers this year are: Peggy Peters—President, Jake Diemert—Vice-President, Pat Baker—Treasurer, Ann Rishell—Recording Secretary, and Jeanne Cashore—Corresponding Secretary.

National Honor Society

Members of the National Honor Society are chosen in their junior or senior years on the basis of scholarship, school citizenship, service, leadership, and character. This year's group was very active under the sponsorship of Mrs. Caccese. Among their activities, they staged their annual assembly where new members were installed and speeches were given by officers. Officers for the year 1960-61 included Dave Jamison—President, Janet Barrow—Vice-President, Jeanne Cashore—Secretary, Karen Brown—Treasurer.

Debate Club

The Debate Club is composed of a large number of students who are interested in improving their speaking as well as gaining knowledge on international topics. Although the club, in general, does not debate, its members serve as timekeepers and chairmen for the debate team. The actual debating team is made up of eight students chosen each year by a panel of judges composed of teachers and experienced debaters. The McDowell Debate Team is a member of the Lake Erie Debate League and meets the other teams in this league for debates on a nationally chosen topic.

Hub

Seated: Sara Parker, Ann Rishell, Marcia Nelson. **Standing:** Carla Todd, Miss Ofrazia, Mary Kay Donaldson.

The HUB, our school paper, works extra hard and deserves special recognition. The capable staff of about 50 students works long hours publishing a paper any school would be proud to claim as its own. Published monthly, our HUB is the finished product of various staffs. The reporters are headed by the editor, Ann Rishell, and assistant editor, Marcia Nelson. Typists prepare copies for the printer; members of the ad staff procure ads for the paper; the circulation staff exchanges copies of the HUB with about 30 other schools both far and near; the Business Manager sends bills to the local business concerns and manages the financial affairs. The entire publication is under the competent supervision of the sponsor, Miss Ofrazia, and the editors.

In addition to its excellent reading entertainment, the HUB sponsors a candy concession at basketball games to complete its service to our school events.

McDowell's

Mr. Rishell

Marching Band

Through the untiring efforts of Mr. Rishell and his talented pupils, the McDowell Band has completed another successful year of musical activities. Like the football team, they begin practicing early in the summer, and continue until the opening of school. As soon as school opens, they begin practicing every day to prepare for the football games. These practices pay off when they combine with the twirlers and drill team to delight the fans at half-time with peppy music, precision drills, and fancy formations. As spring approaches, they turn to the more serious side to prepare for the annual spring concert, and round out the year with a background for commencement exercises. This year, our band was honored to be chosen to play for the two candidates for the presidency, Sen. John F. Kennedy and Vice-President Richard M. Nixon, when they arrived in Millcreek.

Concert

Here at McDowell we are very fortunate to have an orchestra as an instrumental part of a well-rounded music program. Improved orchestration has greatly increased the potentialities of the 60-piece group of students who competently play a variety of instruments.

During the past year the orchestra, capably directed by Mr. Rishell, was first heard at the Senior Play in mid-November. Additional public appearances at the Junior Play and Operetta increased their musical activities. Their participation in the Christmas program and the annual Spring Concert highlighted the group's successful and enjoyable year.

Orchestra

Representatives of the group were sent to District and Regional Orchestra Festivals, and seventeen of the members played in the Erie Junior Philharmonic Orchestra. McDowell has also been honored to have Ann Rishell elected to perform with the Erie Philharmonic Orchestra.

We, the Class of '61, commend our capable classmates for their participation and enthusiasm in these activities, and express our sincere gratitude to Mr. Rishell and the orchestra for the time and effort they have given to execute such successful musical performances.

Football 1960

This year the Trojans, although not too successful, finished in fifth place in the Big Seven standings. The team closed their season on a successful note, by defeating Harborcreek 21-6.

BUTLER —

The Trojans opened their 1960 season by opposing one of the top teams in the state—Butler. McDowell held Butler to 7 points in the second half.

Butler 22, McDowell 0

PREP —

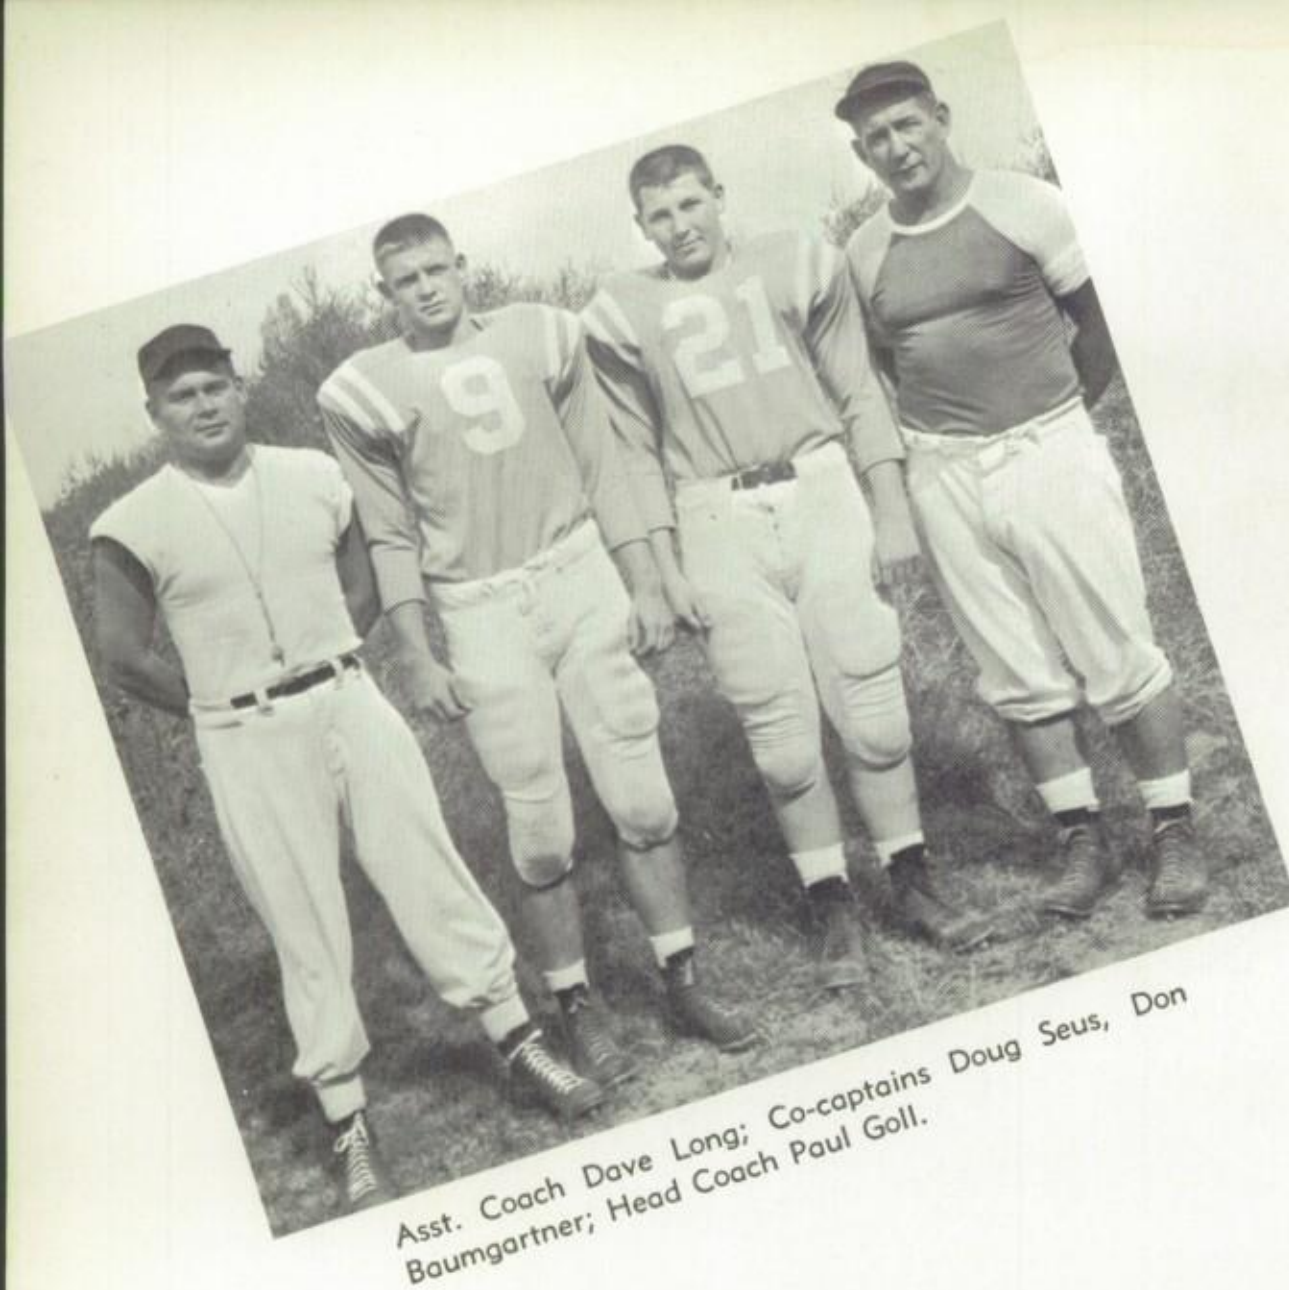

McDowell opened the Big Seven against last year's champion, Prep. Outscored in the first half, the Trojans rallied in the second half but could not quite overcome Prep. McDowell lost a heart-breaking game but never lost spirit.

Prep 25, McDowell 14

ACADEMY —

Our third game was against the Lions, and it was Academy's homecoming game. But — the Lions had the final break of the game: the winning touchdown was set up by a long run around end.

EAST —

Outweighed 30 pounds to a man, the Trojans fought a terrific battle which was even all the way. The only score of the game was a 45-yard touchdown run from the line of scrimmage.

East 7, McDowell 0

NILES, O. —

At the time the Trojans invaded Ohio, Niles was ranked 7th in the state and had only been scored upon once. The Trojans really fought hard. We became the second team to score against them.

Niles 44, McDowell 3

VINCENT —

The thriller of the year and our first winning game was with the Vincent Colonels. The final decisive touchdown was rammed over with 45 seconds left.

McDowell 21 Vincent 19

TECH —

A pass to an ineligible receiver gave the Tech Centaurs seven illegal points which proved to be the decisive factor in the game. The Trojans rammed across two touchdowns in the final four minutes of play, but it was not enough to overcome Tech's 25 points.

Tech 25, McDowell 20

HARBORCREEK —

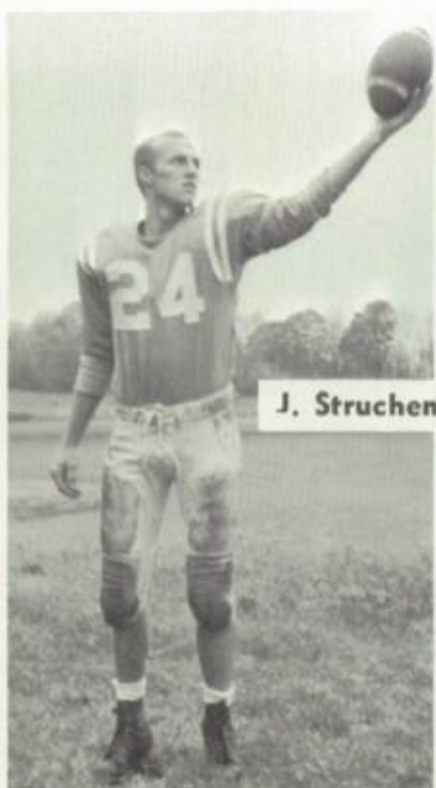

McDowell ended its season with a victorious note of victory over the Harborcreek Huskies. Everyone had a hand in defeating our annual rival. The Trojans made their breaks and forced the game until the final gun.

McDOWELL vs. TITUSVILLE 48-42

At the end of the first quarter the contest was tied, McDowell made substantial gains in the third and fourth quarters. High men for McDowell were Aitken with 20 and Moles with 12 points.

McDOWELL vs. CORRY 72-61

The flashy Trojans outclassed the Beavers in all but the third quarter, when they allowed a three point discrepancy. McDowell rallied to the tune of 72 to 61 with the two high point men on the McDowell team. They were Doug Aitken with 35 and Dick Schau with 14.

McDOWELL vs. CORRY 0-59

A thriller to the wire, McDowell made it a clean sweep over Corry, handing them their second defeat. At the half McDowell was one down but made a brilliant recovery in the fourth quarter to make it two in a row. High point men on the team were Schau with 26, Aitken and Moles with 12.

McDOWELL vs. TECH 49-71

Although the Trojans did not fare quite as well as in other contests, in individual scoring Dick Schau outscored any single Centaur. The game at Tech was a poor exhibition by the Trojans; losing 49 to 71.

McDOWELL vs. GIRARD 57-64

McDowell completely outclassed the Yellow-jackets the first and second quarters, however the boys from Girard came back in the third quarter to tip McDowell.

McDOWELL vs. ACADEMY 52-67

Academy jumped off to an early lead in the first half and piled up a commanding lead. McDowell controlled the second half, but to no avail, for the Lions came through with a 52 to 67 win, however this was well avenged later in the season.

VARSITY vs. ALUMNI 70-57

Returning on the Alumni team were T. Davis, S. Conley, M. Holmstrom, E. Brown, J. Ketzer, B. Pratt, D. Feidler, A. Conner, J. Dingfelder, T. Schaeffer, D. Elwell, D. McCreary, and D. Geirmann. It seemed that the Alumni were a bit rusty, however, for the varsity handed them a spanking defeat, 70 to 57.

McDOWELL vs. CAMBRIDGE SPRINGS 65-51

A scoring fest for the Trojans was presented in commemoration of the third of January, only part of the New Year's celebration. High point men were Schau with 31 and Aitken with 15. Other high scorers were Ted Johnson, Doug Zirkle, and Ken Faulkner.

McDOWELL vs. PREP 52-66

McDowell was outscored in all quarters except the third in this contest. However, Doug Aitken and Ken Faulkner were first and third in the scoring columns with 21 and 17 points respectively.

McDOWELL vs. HARBORCREEK 88-90

In a high scoring contest McDowell had high point men in Dick Schau with 30 and Doug Aitken with 20. McDowell played hard with perhaps a few too many fouls, to lose a heart-breaker in the final seconds, 90 to 88, in double overtime.

After the rest of us have left the school and the janitors are hard at work, the basketball team is beginning their practice. Through the years, McDowell has had a fine basketball team and has taken its share of the glory and trophies. This year is no exception. The backbone of the McDowell team, the seniors have performed magnificently along with their team mates. We have much to be proud of in our athletic department, and in particular the fine basketball teams which the coaches, Mr. Kline and Mr. Henning, have consistently turned out.

McDOWELL vs. EAST 51-68

East piled up an early total to lead McDowell at the half by fifteen points. In spite of big third and fourth quarters, McDowell's consistent hitters were missing.

McDOWELL vs. STRONG VINCENT 45-54

At the half the game was all tied up at sixteen points apiece. The Colonels pulled ahead in the third and fourth quarters. High point man for the game was Doug Aitken with 22. score McDowell 45, Vincent 54.

A good show of teamwork brought McDowell a well deserved win late in the season. McDowell outscored the Lions in all quarters except the fourth which was tied. Close all the way, McDowell rose victorious 53 to 50.

McDOWELL vs. PREP 48-57

A resounding setback was decided in the fourth quarter when Prep managed to collect 16 points to McDowell's 6. The Trojans were not up to par in either defense or offense; however, the decision was made by less than five baskets.

McDOWELL vs. TECH 62-76

Again the first half made the difference with the Centaurs jumping off to an early lead of fourteen points. The third and fourth quarters evened out to a tie, however, the early lead remained commanding with McDowell suffering defeat.

McDOWELL vs. STRONG VINCENT 43-67

A hard played game found the Trojans at Memorial. McDowell seemed in poor form and was outscored in all quarters except the third.

McDOWELL vs. HARBORCREEK 49-41

A well-played game netted McDowell a substantial win. Dick Schau and Doug Aitken helped to outclass the Huskies with 19 and 15 points respectively. McDowell increased its lead in all quarters except the fourth when the first string took a rest.

McDOWELL vs. EAST 46-58

A closing game found the Warriors in fine spirit, whereas the Trojans left room for improvement. All was not in vain for McDowell's consistent high point men turned in another fine performance; Doug Aitken 14 and Dick Schau 19.

McDOWELL vs. TITUSVILLE 76-62

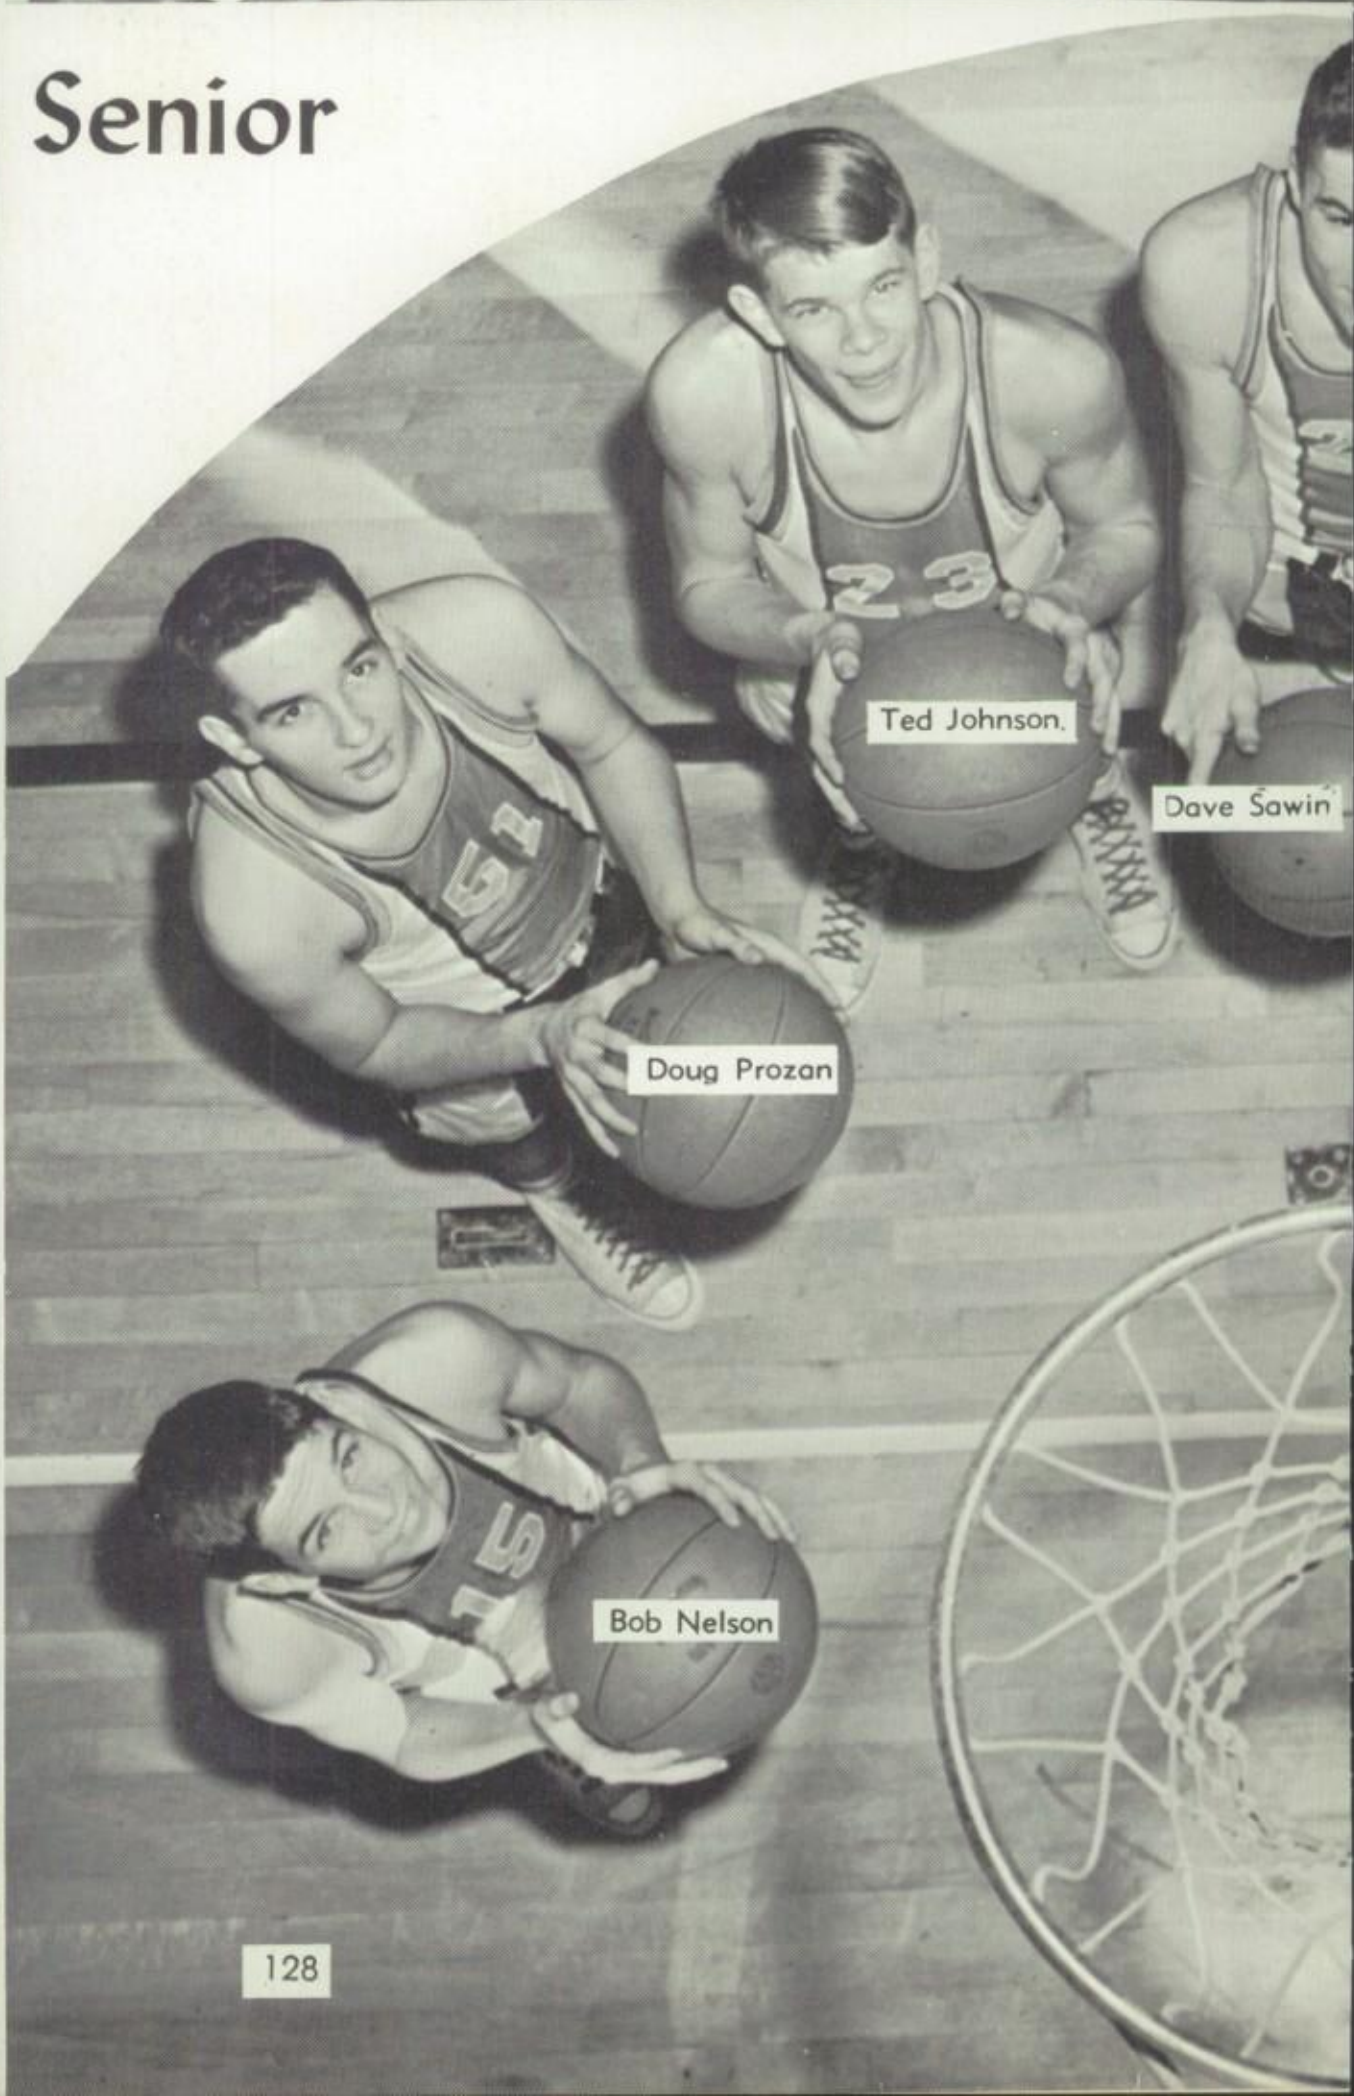

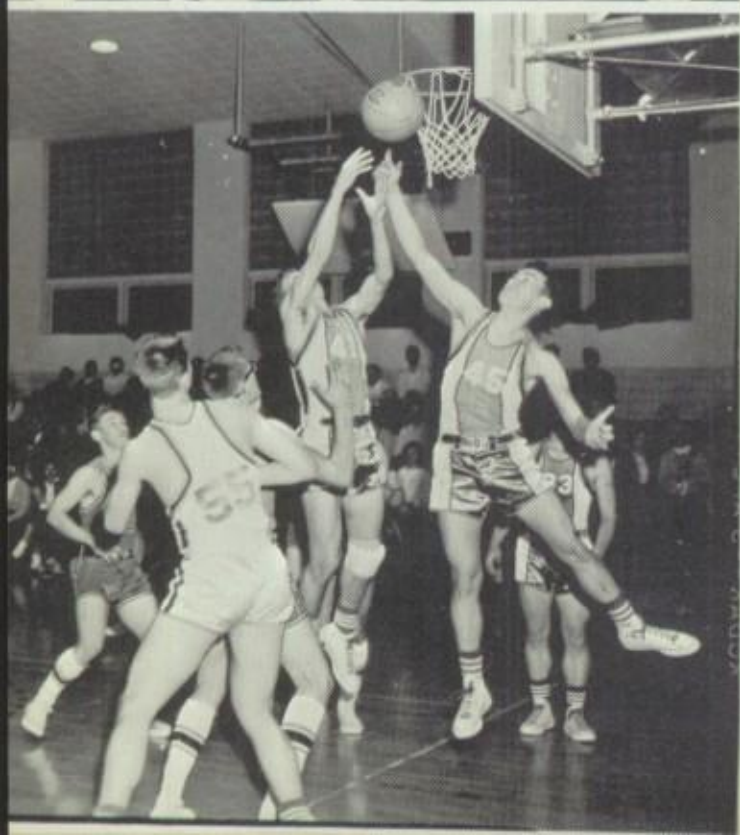

The beginning of a satisfying season finish found McDowell defeating Titusville 76 to 62. McDowell piled up an early lead and added to it consistently throughout the game.

McDOWELL vs. CAMBRIDGE SPRINGS 71-57

The Trojans rounded out the season with a romp over the Devils of Cambridge Springs which took shape in the third and fourth quarters. McDowell thrilled the faithful fans and supporters with a fine performance.

Track and Field

In mid-March the men of the Track and Field squad began their season. Although McDowell has not long had a Track and Field team, we have made a very definite mark in the record of the smug city teams. While competing against strong city competition, McDowell won two of three meets in which it entered. Among the victims of the McDowell cindermen were Cathedral Prep and Erie East. This year McDowell promises to have a strong team, including one all-state team member. We also boast District members in all departments.

Continuing to play top-flight baseball as in the past, McDowell finished second in the "Big Seven" standings in 1960. Even though graduation has taken away the majority of last year's first team, the fine instruction of Coach Dave Long and the excellent material provided by this year's seniors are expected to give McDowell another fine season in interscholastic baseball. Among the experienced seniors expected to do a good job for our team this year are: Bob Nelson, Ron Huzinec, and Dick Schau, pitchers; Don Baumgartner and Doug Aitken, catchers; Mel Ross, Ted Johnson, and Doug Prozan, infielders; and Terry Turi, outfielder.

"Victory, victory, is our cry!" ring out the perky voices of our cheerleaders, led by Sheri Seib. The six peppy girls, all seniors this year, are the enthusiastic leaders of school spirit at McDowell. We are proud of our cheerleaders and of the time and effort they put into building morale.

Trojanettes

The McDowell Drill Team made a very fine showing at the games this year. Under the direction of their faculty sponsor, Mr. Valone, and their student leader, Gerry McInchak, the 18 girls of the Trojanettes were a complement to the Band and the Majorettes. With their precision marching and close order drill, the girls provided enjoyable half-time entertainment. The team, established last year, showed the results of long hours of practice and hard work.

Majorettes

From summer parades through football and basketball halftimes to the Memorial Day parade, our Majorettes, under the leadership of Lynda McCaughan, have stepped their way through march and dance routines. These girls, consisting of eighteen majorettes and five flag twirlers, also presented a snappy routine for the annual Variety Show. The majorettes have been a strengthening power and we thank them for a job well done.

Connie and Maria

Every year McDowell participates in the American Field Service Exchange Student Program. The program is sponsored by the Student Council, with the entire student body contributing to the expense. Our student this year was 17-year-old Maria Angelica Bravo-Isaza from Santiago, Chile.

A.F.S. Student Exchange Program

MARIA BRAVO

I wish I had words to express my grateful appreciation for your kindness and for making this year the most beautiful of my life. I am sure I shall not have another like this. I would like to tell you, too, that I am proud to belong to the great family of A. F. S. who would like, certainly, to have all of you around as her members—not only you, but all the people of the world. We must walk together and help each other by the way of truth, kindness, and beauty. All of us will belong to a great big orchestra, playing in perfect harmony and directed by our great Lord and Creator. The more you get to know people, the fewer differences you will find between them. The experience I have had in being here is something that twelve or more years of studying would not have given. It will last all my life. It helps to build a strong and well-rounded personality.

I realize once more that people should not be judged by people, and they must not build in their minds ideas or impressions until they see with their own eyes. America and its people, especially its youth, is known by its movies that, unfortunately, show the exceptions and not the reality most of the time. The viewing people get the wrong idea.

Something that I like very much here is the great importance that clubs and activities in general have in school life. The school spirit and friendship between teachers and students and many other things I did not witness at home. A big difference between our schools and yours is that yours are co-educational and ours are mostly segregated. I have come to love this school just as you do; I feel that I have belonged to it for many years.

Above all, there are two things I like best: TV, and snowy Christmases. I want to thank you all once more for this wonderful time, and I am sure this experience will last forever.

Thank you very much,
MARIA

Homecoming

Our homecoming game is one of special excitement. This year marked the initiation of a new method for choosing the Queen. Three candidates were chosen from each class, and the entire student body elected the queen. This year's four colorful floats depicted an Olympic theme. The Sophomore Float represented the aquatic events, the Juniors' the shot-put, and the Seniors' pole vaulting.

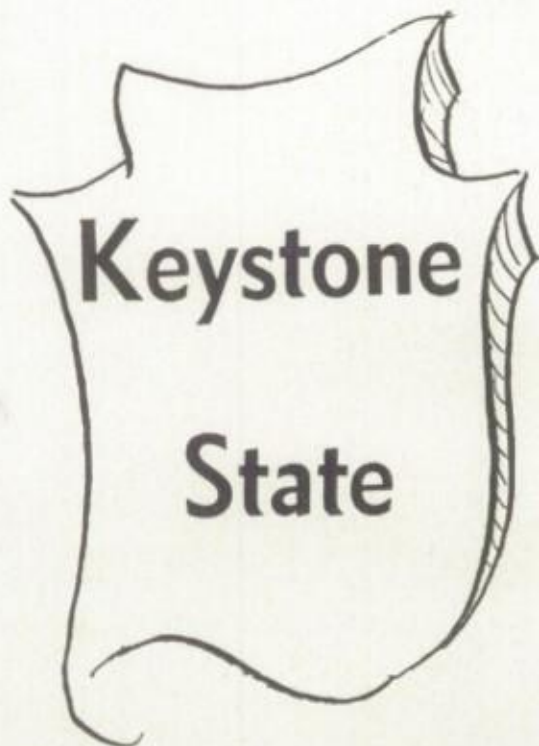

Seniors Maria Bravo and Lynda McCaughan, juniors Sue Johnson, Kathy Noe, Jackie Davis, and sophomores Karen Cardman, Ginny Love, and Jan Oliver made a lovely complement to our vivacious queen, Sheri Seib. Though the field lights are out and the crowd is gone, memories of Homecoming Night will long remain in the hearts of McDowellites.

Keystone Girls State

Americanism is the best way of life that we know. Learning the practices and objectives of Americanism became the responsibility of Mary Kay Donaldson and Jane Clemens at Keystone Girls State. Needless to say, both Mary Kay and Jane had many wonderful experiences at Shippensburg State College, but above all these opportunities they gained a knowledge which will be invaluable to them throughout their life. Both girls were nominated and elected to many offices at Keystone State, but the things that matter most are the friends they made and the material wealth they gained which they will be able to share with others in their school and their community, and with those they will meet in the years to come. What lies ahead for these girls after Keystone State we do not know, but we do know that they will be better prepared to face the future in times of crisis or peace.

I am an American. A free American.
Free to speak—without fear
Free to worship God in my own way
Free to stand for what I think right
Free to oppose what I believe wrong
Free to choose those who govern my country
This heritage of freedom I pledge to uphold
For myself and all mankind.

Keystone Boys State

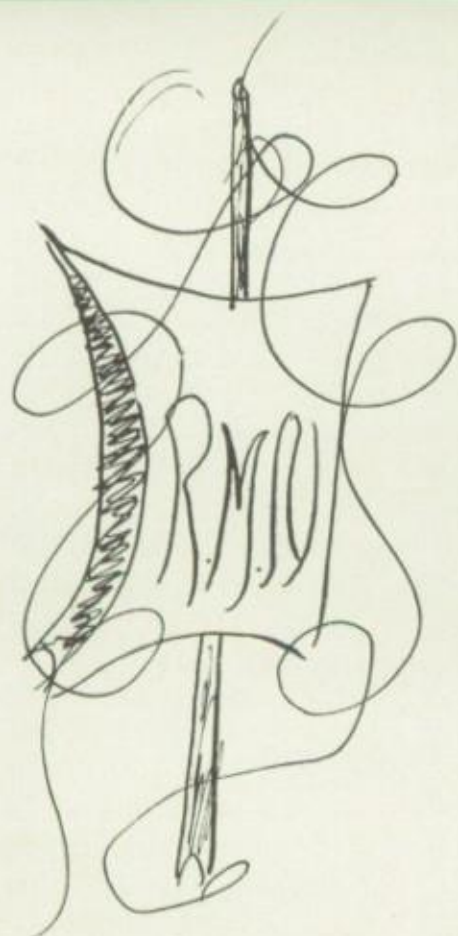

Last year four boys from McDowell were sent to Lock Haven, Pennsylvania, to take part in the Keystone Boys State program. Bob Nelson, Pat Baker, Bob Frye, and Doug Aitken, during their ten days of attendance, took an active part in the program which consisted of the teaching of Pennsylvania government and national government. There were political parties, city elections, county elections, and state elections which were carried out true to form. These various projects were covered thoroughly by the capable instructors who were supplied by the American Legion. During the afternoons there was planned recreation, and in the evenings all the boys assembled to listen to various guest speakers.

At the climax, our four representatives did quite well. Pat Baker was elected majority leader of the House of Representatives in the General Assembly, and in the city and county elections, he was voted Commissioner of each. Bob Nelson was elected School Director, nominated for Registrar of Wills, and was also one of the three members from each city to be elected to the Senate. Bob Frye was elected School Director, nominated for Recorder, and was also one of the three Senators from his city. Doug Aitken was appointed City Solicitor, nominated for County Commissioner, and was a member of the House of Representatives.

We wish to thank these boys for their outstanding work last summer, and for their fine representation of McDowell High School.

Mock Election

This year the student body of McDowell had an opportunity to actively participate in a mock presidential election. Jim Rettew represented Vice-President Richard Nixon; Bonnie Brydon, Ambassador Henry Cabot Lodge; Dave Jamison, Senator John Kennedy; and Al Knox, Senator Lyndon B. Johnson. The candidates for each party gave seven minute speeches, followed by four minute rallies. The speeches followed the authentic party platforms, and mirrored the controversial issues of the day. The rallies proved to be very uproarious affairs and showed the enthusiastic support of the entire student body. The antics of the Republican elephant and the Democratic donkey added to the general excitement. After the assembly was completed, the students had a chance to vote for their favorite candidate. The results were as follows: Nixon—528; Kennedy—324.

"Seventeenth Summer"

This year our annual Senior Play was a light teenage comedy entitled "Seventeenth Summer" by Maureen Daly. It was a true-to-life story of summer after high school graduation. Angie's intuition proved right. She began to date, not without opposition from her kindly mother and father, and learned that growing up is not always smooth sailing. Angie's three sisters all had strikingly different personalities. Margaret, the eldest, was a poised girl of about twenty-one and was completely sincere and natural. Being happily engaged to Art, she gave Angie some sound advice concerning dating. Lorraine, unlike her sister, was uncertain of her own charm and tried to hide her uncertainty by putting on airs. She dated Martin, a boring sophisticate, but finally came to her senses. Ten-year-old Kitty was an impish, fun-loving little tomboy. She tried everyone's patience, but most of all her father's. Jack, Angie's boyfriend, was the friendly, easy-going, athletic type. Jane and Tony, who were "going steady" but were unhappy with each other, both stirred up trouble between Jack and Angie and caused him to break up. Margie, a selfish, gossipy girlfriend who was Fritz's steady, did not help matters. Tension mounted, but the summer having ended, Jack and Angie cleared up their misunderstandings.

"Seventeenth Summer" was presented to the student body on November 10, 1960 and to the public on November 11.

SENIOR CLASS PLAY CAST

MOST COURTEOUS
 Irma Clare and Dave Harrison
 These two fine students, I fear
 Have really impressed us this year.
 They say "thank you" and
 "please"
 With the greatest of ease,
 And that's why their pictures are
 here.

MOST LIKELY TO SUCCEED
 Mary Kay Donaldson and
 Pat Baker

These students' power to lead
 Has made them most apt to suc-
 ceed.

They do their work well,
 We think they're just swell,
 And everyone else has agreed.

MOST SCHOOL SPIRIT
 Sheri Seib and Doug Aitken
 With a "rah rah" and a "yea" for
 school spirit,
 This is our cheer, so come on let's
 cheer it!
 Doug and Sheri sure rate
 For making school great,
 They've done swell, these two, so
 let's hear it!

MOST SCHOLARLY
 Ann Rishell and Dave Jamison
 Dave and Ann in their studies do
 well,
 In scholastic achievement they
 excel,
 They're not only smart
 But they do their part,
 A successful future we foretell.

Who's Who

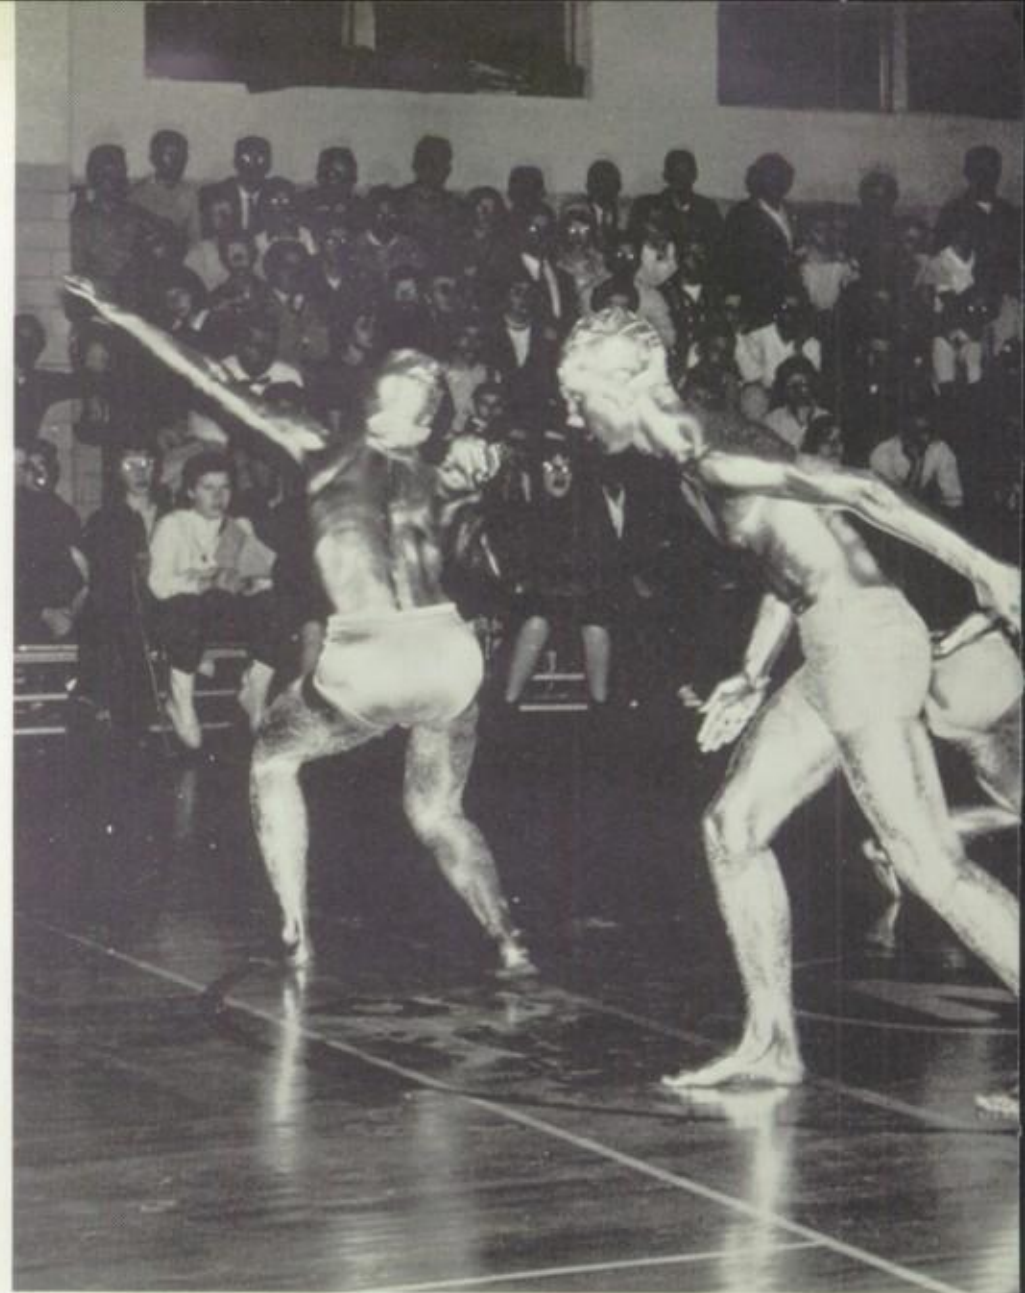

WITTIEST
*Joyce Kazimierowski and
 Dave Gardner*
 Joyce and Dave, we'll admit,
 Have really made quite a hit.
 They're cheerful and affable,
 Lively and laughable,
 And are tops in humor and wit.

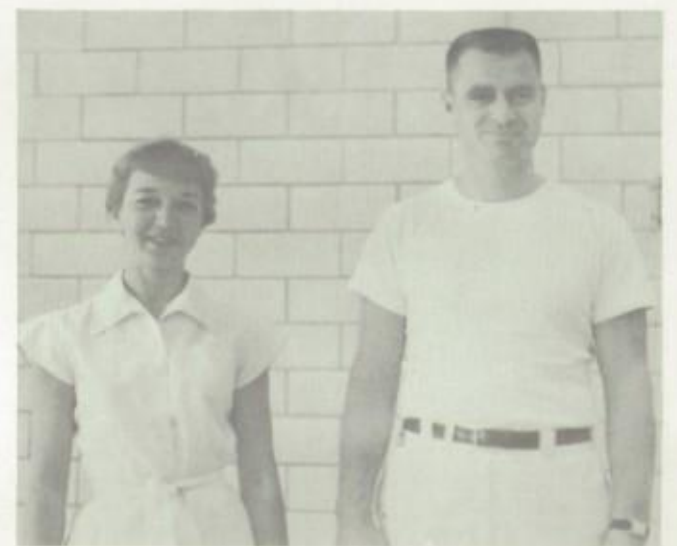

BEST DRESSED
 Karen Kuhl and Dick Schau
 Karen and Dick are the best
 When it comes to being well-
 dressed.
 They always look neat
 From their head to their feet,
 And thus they stand out from the
 rest.

FRIENDLIEST
 Carol Page and Doug Seus
 The title of friend fits these two
 As no other title can do.
 A friendly "hello"
 Goes where they go,
 And follows them all the day
 through.

Gymnastics

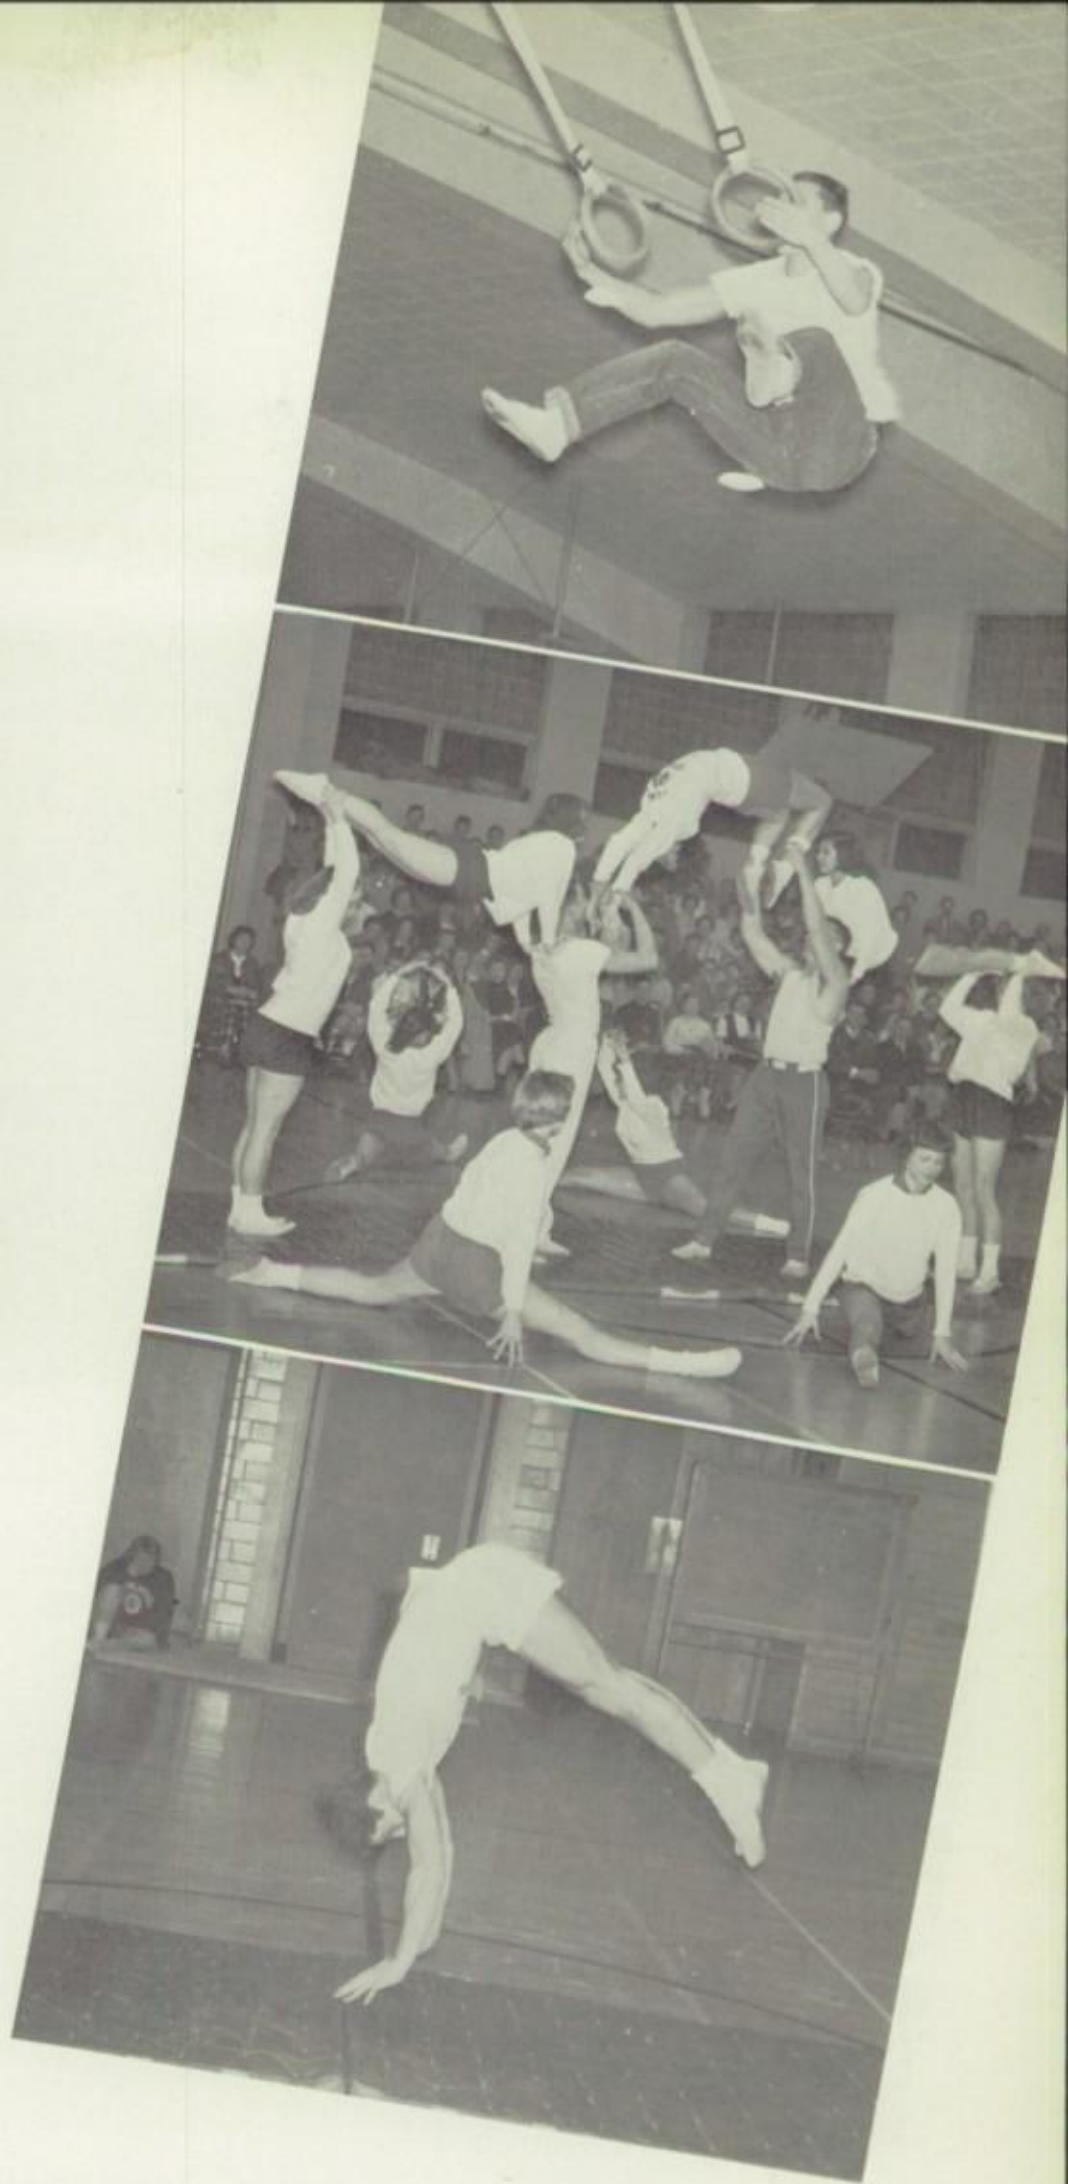

Miss Skapura and Mr. Manchester

1960

The annual Gym Show provides an outlet for every student to display his own particular abilities in gymnastics. Under the able direction and help of Miss Skapura, Mr. Manchester, and Mr. Carmen Mazza, the Gym Show of 1960 was a brilliant success. Besides the regular gymnastic routines, the performance was highlighted by some very colorful performances such as the maraccas, calypso, modern dance, and the silver statues. The show exhibited the commendable job which the physical education department is achieving in the field of gymnastics.

McDowell Parent-Teachers' Association

The Parent-Teachers' Association, composed of interested parents and teachers, meets regularly to discuss matters concerning students, teachers, and parents. The officers planned many interesting and informative programs, and participated in various activities. Their financial support to the Student Activities Fund and the Student Council, as well as the purchase of National Honor Society pins, is greatly appreciated. Their most valuable project is the McDowell Scholarship Fund composed of gift contributions from area schools. It is awarded annually to a deserving senior on the basis of four qualities: merit, service, character, and financial need. In offering loyal support to all school functions, they participate in College Night, with financial support and personnel aid; sponsor Career Night every two years; render able assistance to the Senior parents with the Senior Party; and, provide a Baccalaureate reception for the Senior Class. Their generous donations of time and effort help mold us into capable and qualified citizens.

Their purpose is to bring about a better understanding among parents, teachers, and students, through the promotion of parent-teacher cooperation and the welfare of youth. We sincerely believe that the P.T.A. is fulfilling its purpose and helping to make our high school years successful. For this, we wish to express our gratitude and appreciation.

Although this may not always be fully realized or appreciated, someone is responsible for transporting, feeding, and cleaning up after the students of McDowell. These thankless, taken-for-granted jobs fall upon the capable shoulders of our bus drivers, cafeteria aides, and custodians. All year long, enduring our chatter, antics, and practical jokes, they faithfully carry out their duties. They are always striving to do everything in their power to keep the surroundings neat and clean. They can always be counted on to complete their tasks quickly and competently. We certainly appreciate the time and effort they spend for our benefit.

McDowell Alma Mater

Once again, here as schoolmates assemble,
We fain would lift our hearts in song,
To our High School, our dear Alma Mater,
Let gladness the moments prolong;
We are proud of our lads and our lasses,
Of honors won in days gone by,
So here's a cheer for our old High School,
For our old High School, our dear "Old High."

Here's to our classes,
Here's to our lasses,
Here's to the lads they adore:
Here's to the Seniors, so "mighty",
Juniors, so "flighty",
Freshies and Sophomores;
Let mirth and gladness
Banish all sadness,
And as the days go by,
We promise you'll find us ready, earnest, and steady,
Boosting for McDowell High.

Afterword

It was with regret and sadness that we approached these last days of high school. The events and actions, especially of our senior high years, have changed our outlook on life from one of adolescence to maturity. Although this is the end of one phase of life for the seniors, it is the beginning of another more important phase. The influence of these years has shaped our ambitions and views for later life. Commencement is not an end, as some believe, but it is the beginning of college, a career, and perhaps eventually success and fame. As we prepare to face the responsibilities of adult life, we shall not only look back to friends and good times of the past, but also ahead to those of the future.
